Provider Search

iResponse opens with a Search option and a Profile option.

Profile

This option allows users to update registration information.

- **Click** Profile.
 - The registration screen displays.

Search

Users may search for providers included in the HCA enterprise-wide database by last name or NPI number.

- **Enter** physician last name or NPI number.
 - One letter or several letters may be included in the Last Name field.
- **Click** Search.

Search Results

A list of providers whose last name matches the search criteria displays. The following information appears for each provider, if it is available:

- Photo of provider
- Provider name and CACTUS ID number
- Facility(ies) and Active or Inactive Position
- Status
- Category
- Date of Birth
- NPI number
- Specialties

- **Scroll** downward to see the full list of providers.
- **Click** the provider's name to generate a verification letter about the provider's standing at each facility.
 - One of three letters is generated:
 - 1) In Good Standing Letter.
 - 2) Contact Medical Staff Office (MSO) Letter.
 - 3) Combination Letter.
 - The letter opens in a new window.
